

NORDIC AEROBATIC CHAMPIONSHIP GLIDER AND POWER 2013

SKIVE AIRPORT

29 AUGUST – 1 SEPTEMBER 2013

Dansk Kunstflyver Union/Danish Aerobatic Association hereby invites all interested participants to the Nordic Aerobatic Championship 2013 for both glider and power. The Championship is open to all countries; however, non-Nordic pilots will only be ranked and cannot become Nordic champion.

We look forward to a great week of professional competition performance with clear focus on safety and sportsmanship.... as well having a GREAT time socializing!

We hope for record high participation in all classes. Please book your calendar already now, register online at www.kunstflyvning.dk, and book your hotel.

Looking forward to seeing you all in Skive!

Morten Hartvig Hansen (DKFU Chairman)

CATEGORIES AND RULES

Competitions will be completed in Basic, Sportsman, Intermediate and Advanced categories. For Basic, Sportsman and Intermediate, IAC official rules 2013 will be used. For Advanced, CIVA rules 2013 will be used as a basis, with the local exceptions used in recent years to prevent organizational burden. Upload your free program not later than August 15.

Extensions to IAC rules: Glider pilots may also compete in a Basic category with a Known sequence available on www.kunstflyvning.dk. Both glider and power Basic pilots will fly the Known sequence twice with a break between. Sportsman pilots may participate in a non-counting but judged Unknown sequence flight.

AIRPORT

Competition will be held at Skive Airport – EKSU

REGISTRATION AND ENTRY FEE

Register online at www.kunstflyvning.dk before August 1. There is an entry fee of 160€ for each competitor that must be paid on site.

ACCOMMODATION

We have booked for the judges. All others, please book your accommodation at Højslev kro (www.hoejslev-kro.dk), Best Western "Hotel Gl. Skivehus" (www.skivehus.dk), or Dan Hostel in Skive (www.danhostel.dk/hostel/danhostel-skive). You are also welcome to camp on airfield, where you have access to toilets and a shower.

Hangar spaces are available for a small fee after first come principle. (approx. 100dkk/night).

MEALS

It will be possible to buy breakfast, lunch and meals on the field.

FUEL & OIL

It will be possible to buy Avgas 100LL (current price 15.6 DKK ex. tax) and oil on the field.

TOW PLANE AND TOW PILOT

Both will be present at Wednesday – Sunday. Towing expenses are not included in the entry fee. Preliminary and approximate prices are 250 - 500 DKK depending on aircraft type.

CLOSING REMARKS

To optimize the use of the box and the tow plane, we will be mixing glider and power pilots such that a glider pilot is followed by a power pilot in the box. This practice has worked very well at our Nationals and the only people getting stressed are the judges ;-)

During the online registration, you will be asked to provide information about the aircraft that you will be flying. The reason is that Annex II aircraft from some countries may need permission prior to the visit as in paragraph 7.2 of the VFR Flight Guide GEN 1.2:

http://www.slv.dk/Dokumenter/dsweb/Get/Document-9586/GEN_1_2.pdf

The Danish Authorities accept all aircrafts from ECAC states. You find the list of states here:
