All fees should be submitted no later than 1st of March.

Safety Information & Required Equipment

Emergency Medical Services

The organizer will have a full time first aid and CPR trained persons on site for the duration of the event. Full ambulance and medical services are available through emergency services. Voss Hospital is 5 min away from VossVind by car.

All participants are required to wear a helmet and equipment which is in compliance with the Sporting Code 5 2015.

Mock Parachute Containers or “Dummy Rigs”

The organizer prohibits using mock parachute containers in the flight chamber during the whole competition.

Metal on helmet

You may not enter into the wind tunnel with exposed metal components. If your helmet has exposed metal, please notify VossVind staff member who will provide you with substitute equipment. If you enter into the wind tunnel with exposed metal despite this warning, the organizer may hold you financially responsible for any damage to the wind tunnel equipment.

Plastic helmet mounts

The organizer recommends that any plastic camera mounts be removed from your helmet before entering the flight chamber, and reserves the right to prohibit you from entering into the flight chamber with any plastic helmet mount. However, you may be permitted to enter into the flight chamber with plastic mounts, subject to approval by the tunnel instructor assigned by the organizer, with your acknowledgement of the increased risk of flying with foreign objects and your agreement to do so on your own risk.

Insurance, Waivers and Documentation

1. Personal Health insurance, repatriation, and third party liability coverage are the responsibility of each participant and are highly advisable. Any such injury or damage is the responsibility of the participant.
2. Any damage to hotel rooms etc. is the responsibility of the persons involved.
3. Personal items and equipment are the responsibility of each participant.
