### **Travelling directions – ground transportation**

Directions to Ole Reistad Centre:

These directions are suitable for visitors travelling to Elverum from westerly and southerly directions (Oslo, Hamar or Lillehammer).

Following signposts to Elverum, from west to east, will take you over a bridge crossing (Glomma River). After crossing the bridge, you will arrive at a roundabout. Drive straight through the roundabout and through a tunnel. Follow signposts to Trysil (approx 3km).

Turn right at next signpost showing "Starmoen Fritidspark" and "Likvern". Follow that road for approx 4 km (it will take you past a recycling plant).

You will see a new signpost to "Starmoen Fritidspark". Turn right and continue past the entry to the golf course. You will now be driving parallel to runway and Hangars on the right hand side.

Follow the road for approximately 1km until the "Flyplass" (airport) signpost on the right hand side. Turn into the large parking area.

Our staff will be situated in the large building on the left hand side of the parking area.
